REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

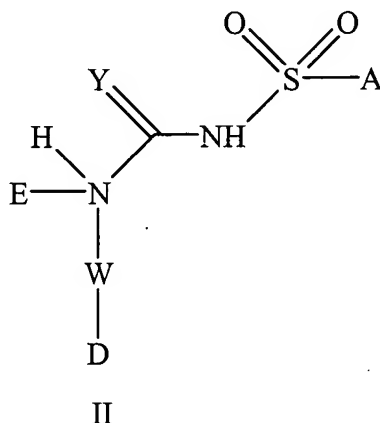

In response to the Restriction Requirement mailed November 1, 2004, please enter the following remarks.

Claims 1 and 7-20 are pending in the application and subject to a restriction requirement. In the Restriction Requirement mailed August 17, 2004, the Examiner requested election of a single disclosed species. In their Amendment and response dated September 15, 2004, Applicants elected to prosecute the species of compounds of formula II. The Examiner has subsequently requested Applicants to elect a single disclosed compound as the species. In response, Applicants elected Example 8 (page 19) which corresponds to compounds of formula

(II) of claim 1, wherein A is substituted heteroaryl, W is aryl, E is H, D is, n is 1, y is 0, Q is C, X is halogen, and Y is O. Applicants note that there is a typographical error in formula (II) in claim 1 in the amendment filed September 15, 2004. The formula (II) in that amendment:

should be:

as is reflected in the originally filed claims. This change was not noted as such in the amendment and accordingly, Applicants submit that this compound falls within the scope of the pending claims. Applicants reserve the right to file a divisional or related application to the claims of the non-elected Groups. Applicants maintain their traversal of the restriction for the reasons stated in their previous response.
